

Hi !!!

This is only a very very very easy thai dictionary. But I will fill it up with more words soon.

If you want to speak thai. Good luck, go to school. Have fun...

Allergic - páir...can come in handy if you are dying or something.

Beer - bear...a very important word that is so useful.

Black coffee - gar fair dam...if you need that in the morning.

Bottle - kùat...a bottle of beer or water, good to know.

Chicken - gàì...very good to eat.

Denmark - deyn mârk...if you are from Denmark.

Doctor - môr...can come in handy.

Drinking water - nârm dèurm...good if you are warm.

Drugstore - rân kâi yar...if you need some medicine.

England - ang grit...if you come from England.

Ferry - reua kârm fârk...when you are going to the islands you need one.

Fever - kâi...go see a doctor.

Fried egg - kâi dow...very good.

Fruit - pôn la mài...always yummi.

Girlfriend - fairn sôw...if you have one and want to tell anybody about her.

Good - dee...if you feel the urge to say it.

Good afternoon (evening, morning, goodbye, hello) - sa wât dee...be nice, say this to everyone you meet.

Good night - rar tree sa sât...behave yourself, be nice, say it.

Guesthouse - gèyt hówt...good to sleep in, very cheap.

Guide - gai...if you don't want to go around by yourself.

How long - narn mái...well...use it if you need it.

How much - tôw rài...to much you say and give him another price.

Insect spray - yar chêt gan yung...good 4 mosquitos.

Iodine - ai oe deen...cut yourself and you are begging for a bottle.

Little - nôy...like me, I'm small, hehehehe.

Sweden - sa wee deyn...great place sometimes.

Whiskey - wít sa gêe...not very good but it makes you happy.

Wine - lôw wai...not very good here, keep it to beer then.

More words will come, I think or hope, soon...
